The day I met you down at old Jakes Grill
My heart Skipped a beat you were such a thrill
You lit a spark that burned into a flame
Gosh oh golly I'll never be the same

Head over heels I fell for your sweet charms
In my dreams you're snuggled in my arms
I tossed a penny in the wishin' well
Hopin' you would fall under cupid's spell

So baby don't you make me feel sad or blue
Cuz sugar I'm so smitter
I'm smitten' in love with you....

I got some money we can paint the town
In highbrow style I'll show you around
Will sing and dance the whole night away
To the cool jazz sound of Cab Calloway

So baby don't you make me feel sad or blue
Cuz sugar I'm so smitten
I'm smitten' in love with you

So baby don't you make me feel sad or blue
Cuz sugar I'm so smitten
I'm smitten in love with you

Let's motor trip in my new thirty-nine
Up to Crown Point where the view is so fine
We'll watch the sunset have a little hooch
In the moon glow we can snuggle and smooch

So baby don't you make me feel sad or blue
Cuz sugar I'm so smitten
I'm smitten in love
Smitten in love
Smitten in love with you....

The day I met you down at old Jacks Grill
My heart skipped a beat you were such a thrill
You lit a spark that burned into a flame
Gosh oh golly I'll never by the same
Gosh oh golly I'll never by the same
Gosh oh golly I'll never by the same....
